SURFACES

TECHNICAL

ASTM E648-06	Critical Radiant Flux	Class 1
ASTM E662	Smoke Density	<450 sdi/Passes
ASTM F925	Stain and Chemical resistance	Excellent
ASTM F970-07	Static load limit	.001" @ 250 lbs.
ASTM F1514	Heat Stability by measuring color change	Very slight
ASTM F1515	Light stability by measuring color change	Very slight
ASTM F2199	Dimensional stability after heat exposure	< 1% change
ASTM E90/ASTM E492	Acoustical rating – 6" Concrete (No Ceiling)	IIC 54
Additional Sound Testing	Acoustical rating – 6" Concrete (With Ceiling)	IIC 65, STC 60

*20mil wear layer option available by request

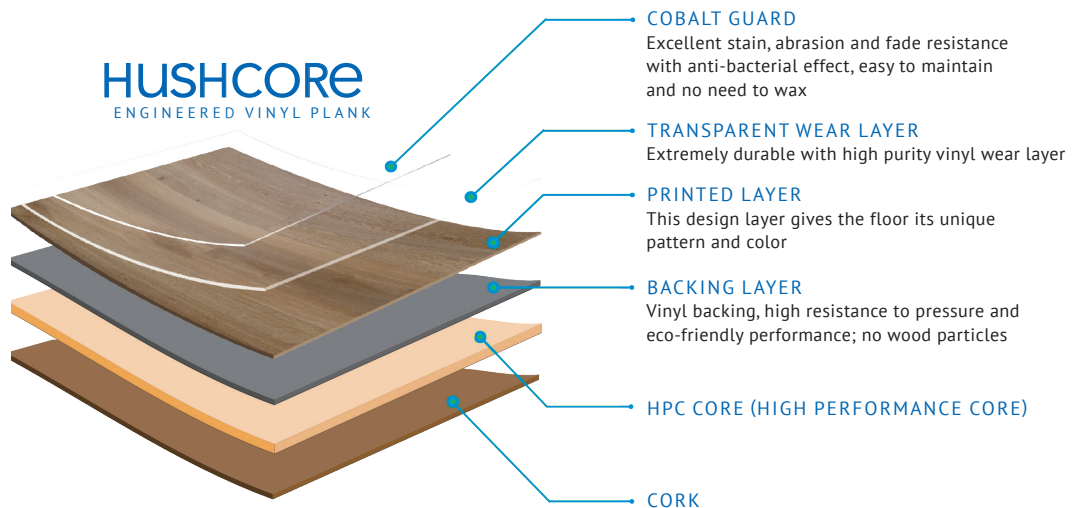

FEATURES/BENEFITS

- 10-year commercial warranty
- Limited lifetime residential wear warranty
- HPC – High Performance Core that is waterproof and provides superior dimensional stability
- Attached cork acoustical backing provides superior sound control performance
- NovaClic FD® Floating Installation System provides a no-adhesive needed quality installation a with Micro-Bevel visual
- Cobalt Guard is an enhanced polyurethane protective coating
- FloorScore® Certified

PACKAGING

Size:	Nominal 7" x 48" Planks
Gauge:	6mm
Wear Layer:	12mil
Carton Qty:	10 pieces per carton (23.2 sq ft)

WATERPROOF, SCRATCH RESISTANT, AND SUPERIOR DIMENSIONAL STABILITY –

HushCore provides it all in one great looking package. HushCore's High Performance Core (HPC) is constructed with first quality virgin vinyl materials that provide a rigid and waterproof core. Add to that Hushcore's attached acoustical cork backing and you have the complete package when sound control, resistance to scuffing and scratching, and the ability for quick and consistent installations are needed.
